Elizabeth Coleman will be back at the BMI in February. Don't miss this chance to hear all about *A Dance with Murder*. She will be in-conversation with good friend and fellow writer Olivia Wearne.

PI Edwina 'Ted' Bristol's latest case is proving complicated. Ballerina Giselle Tereiti is the target of a stalker, but she's also the ex-wife of Ted's flame, homicide detective Spike. While the case is a win for Ted, it means she's forced to distance herself from Spike without telling him why. Meanwhile, talented crafter Cicely is desperate to locate her husband Duncan, who disappeared while surfing a year ago. As Ted closes in on the stalking culprit and her relationship with Spike hits rock-bottom, Cicely's case takes a bizarre twist - and then a murder turns everything upside down.

Clever plotting, memorable characters - a delight! **Kerry Greenwood**
